RE: Amended April Quarterly Report (01/01/2010 - 03/31/2010), Filed on 5/18/2011

Dear Mr. Holly,

In response to your letter dated August 29th, 2011:

The amendment filed was a result of a self-initiated review of all transactions. This was conducted at the Committees expense to ensure full compliance with laws and regulations. The committee anticipates no further amendments.

The increase in contributions occurred because the Committee overlooked contributions made online in January 2010 and the first half of February 2010.

Please contact me with any additional questions.

Sincerely,

Daniel Puhl
Campaign Treasurer
